

In order to provide a quality lunch for our students, we have partnered with Kravers Seafood Restaurant to offer the menu shown below. It is important that students PRE-ORDER lunches on Monday mornings of each week in order for Kravers to plan effectively and reduce waste. **IF** additional meals are available, students will be able to purchase them at the counter. Overages are not guaranteed.

Entrees sell for \$6.00 unless otherwise specified. No loans will be made for lunch purchases.

We welcome your feedback and suggestions!
